Famous Doodle Portrait

Objectives:

- Value rendering understanding

- Scale drawing mastery

Directions:

1. Choose a "famous" person from present day or the past.
2. Locate quality image (600 x 600 pixels min.) of famous person and print 8" by 10" black and white
3. Draw a 1 in. grid on 8 by 10 print out
4. Draw a 2 in. grid on 16" by 20" paper (cut 16 by 20 paper out of 18 by 24 in. paper)
5. Use the grids to enlarge your person onto the 16 by 20 paper
6. Render the values (shadows) in image using a wide range of "DOODLES" (rendering marks) in **PEN**
7. Include name of person and what they did to become famous, song titles, etc. as part of the rendering process.

Grading:

- Identifiable "famous" person
- Originality chosen person
- Rendering technique/values correct
- Included information about person (name and why in/famous)
- Overall visual appeal
