

# Cubist Animal Sculpture

Duchamp The great horse

# Objectives:

You will create a free standing 3D animal sculpture using cardboard and paint.

You will become familiar with cubism and master the 3D construction additive process.

Artists associated with cubism:

Braque, Picasso, Lipchitz, Duchamp

**Picasso The Lady**

**Lipchitz Figure**

# Picasso's Guernica

Lots of planes  
Multiple views  
excellent use of color

multiple planes  
color used to accent planes

# Braques candlestick

multiple views  
painting and color selection  
pulls eye through sculpture

A bit boxy

Drab color choice

Not sure of the species

# Directions:

- Make a list of 10 animals or more
- Choose the one that best represents you
- Draw the animal
- Draw the animal abstractly
- Create a small scale model of the animal
- Build your animal no larger than 16"x16" using cardboard
- Paint to further abstract and accentuate your sculpture

**choose**

**draw**

**abstract**
