

The Exquisite Corpse was Buried in Compost

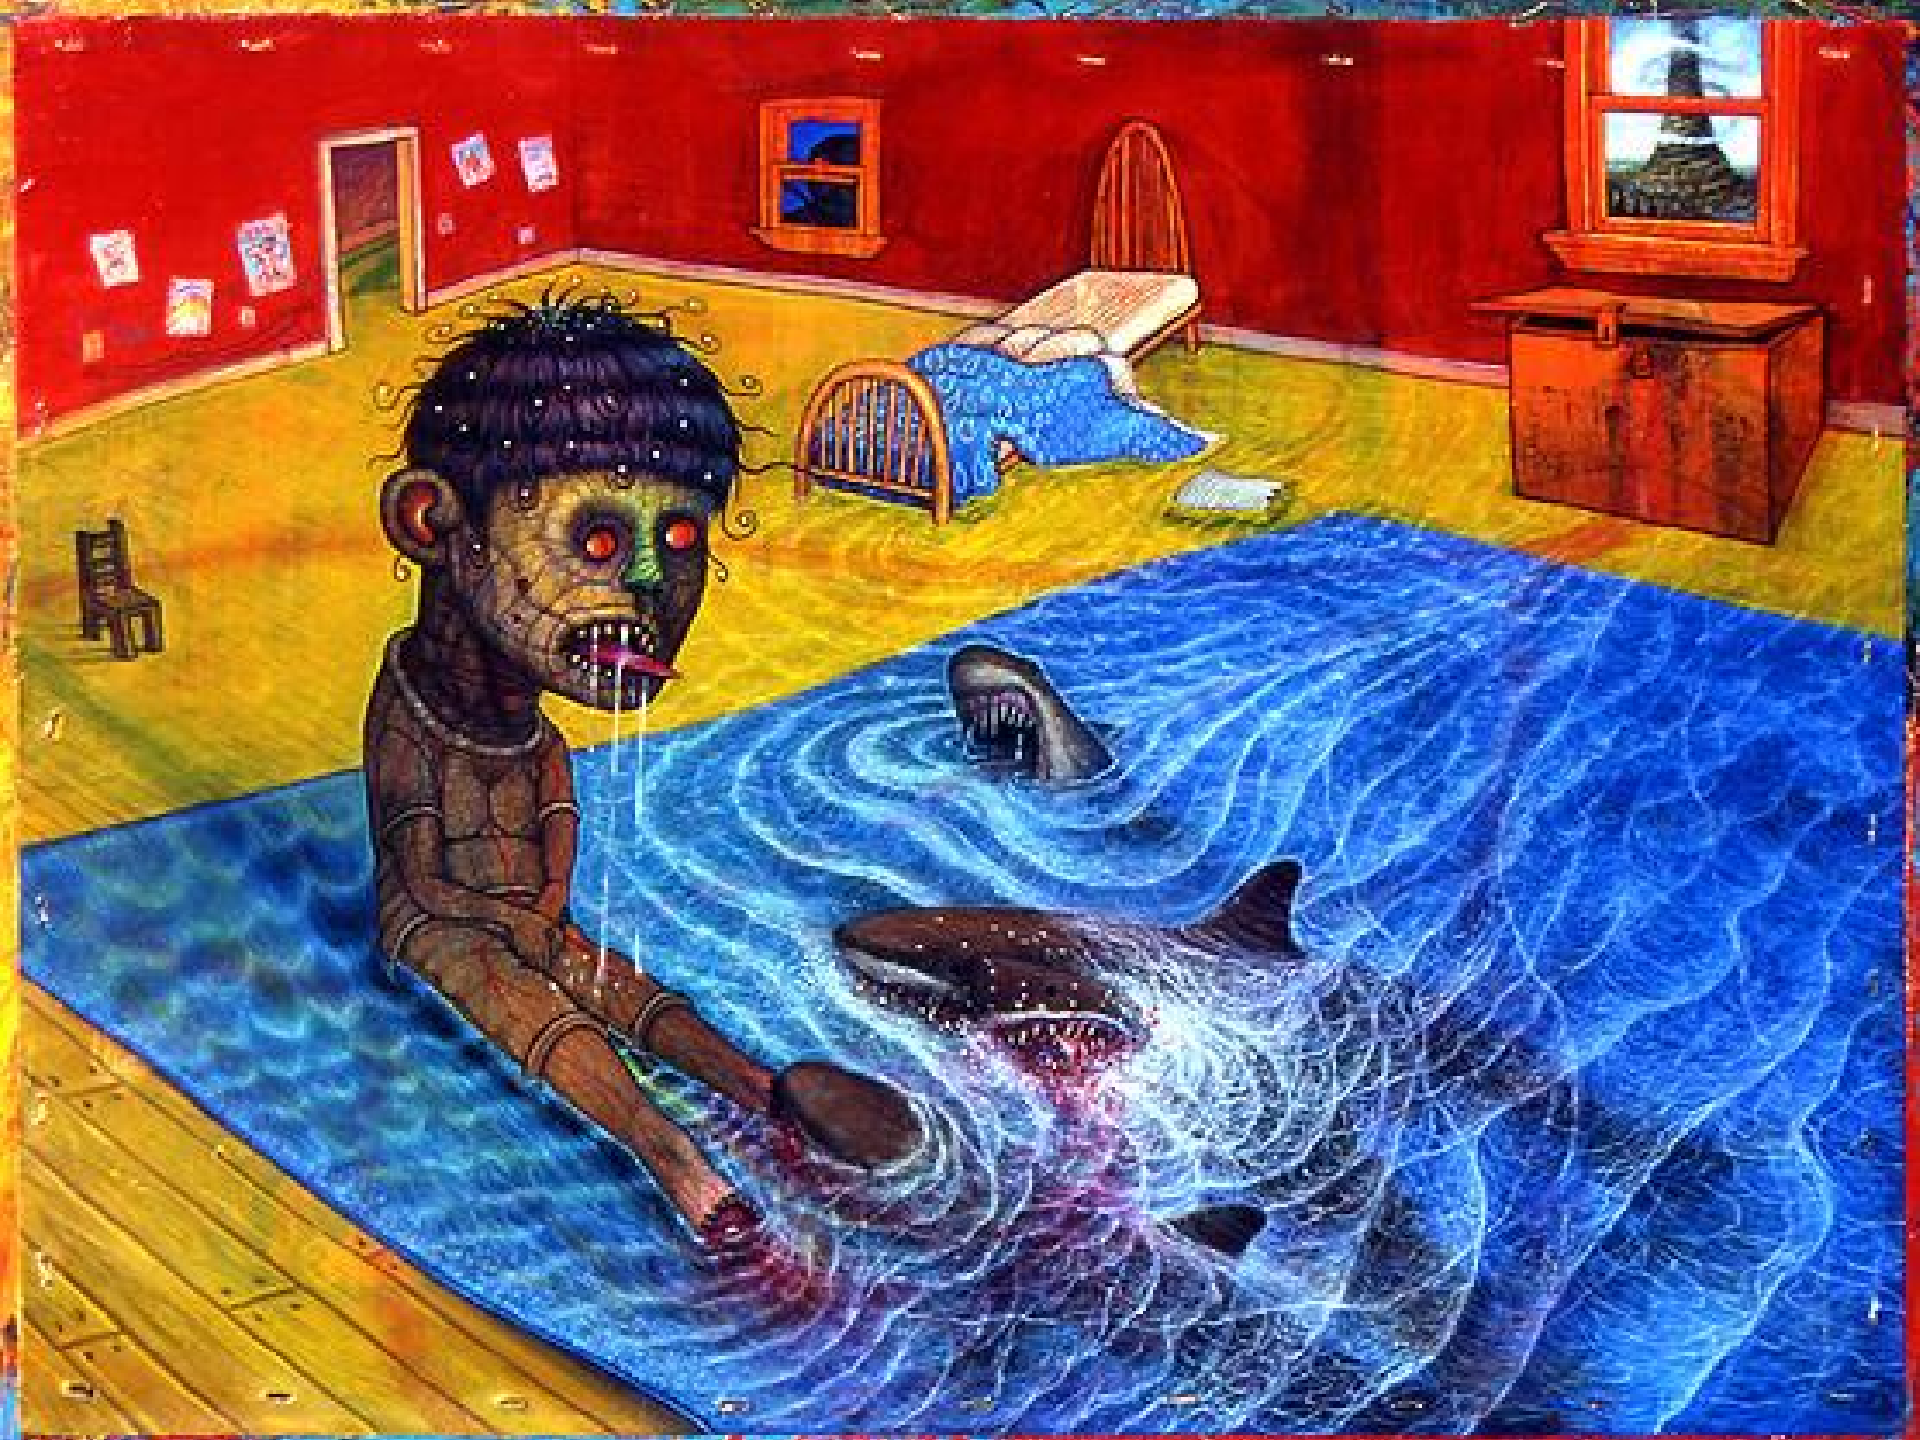

a project about change and collaboration

Objective: Students will collaborate to create artwork that pushes the boundaries of creativity and their inner being. Students will visually represent a change through visual art.

Requirements:

1. final design must have **2** obvious visual zones (ex. Sky and ground)
2. **Change** must be an obvious theme
3. **Collaboration** must be evident
4. must combine **2** or more forms of media (ex. pen and watercolor)

Step 1: Collaborate

Partners will be **assigned**.

Trade Sketchbooks and fill 3-5 pages with things you like.
(drawings, sketches, magazine images, etc.)

Return sketchbooks

Incorporate at least **one** item from collaborator into your work.

Step 2: CREATE

Create a work of art that illustrates a form of change. The change can be good, bad, happy, or sad.

Incorporate at least 1 image/item from your collaborator (sketchbook sharing)

Remember:

- 2 visual zones
- collaboration
- 2 or more media types
- obvious form of change
