

Hands with Text

Element of Art: Line

Principle of Design: Repetition

Objective:

Students will create original line drawings, combine them in a unique composition, include their name, and render using colored pencils.

Examples

"A+" quality work

"A" quality work

"B+" quality work

"B" quality work

"C" quality work

"C" quality work

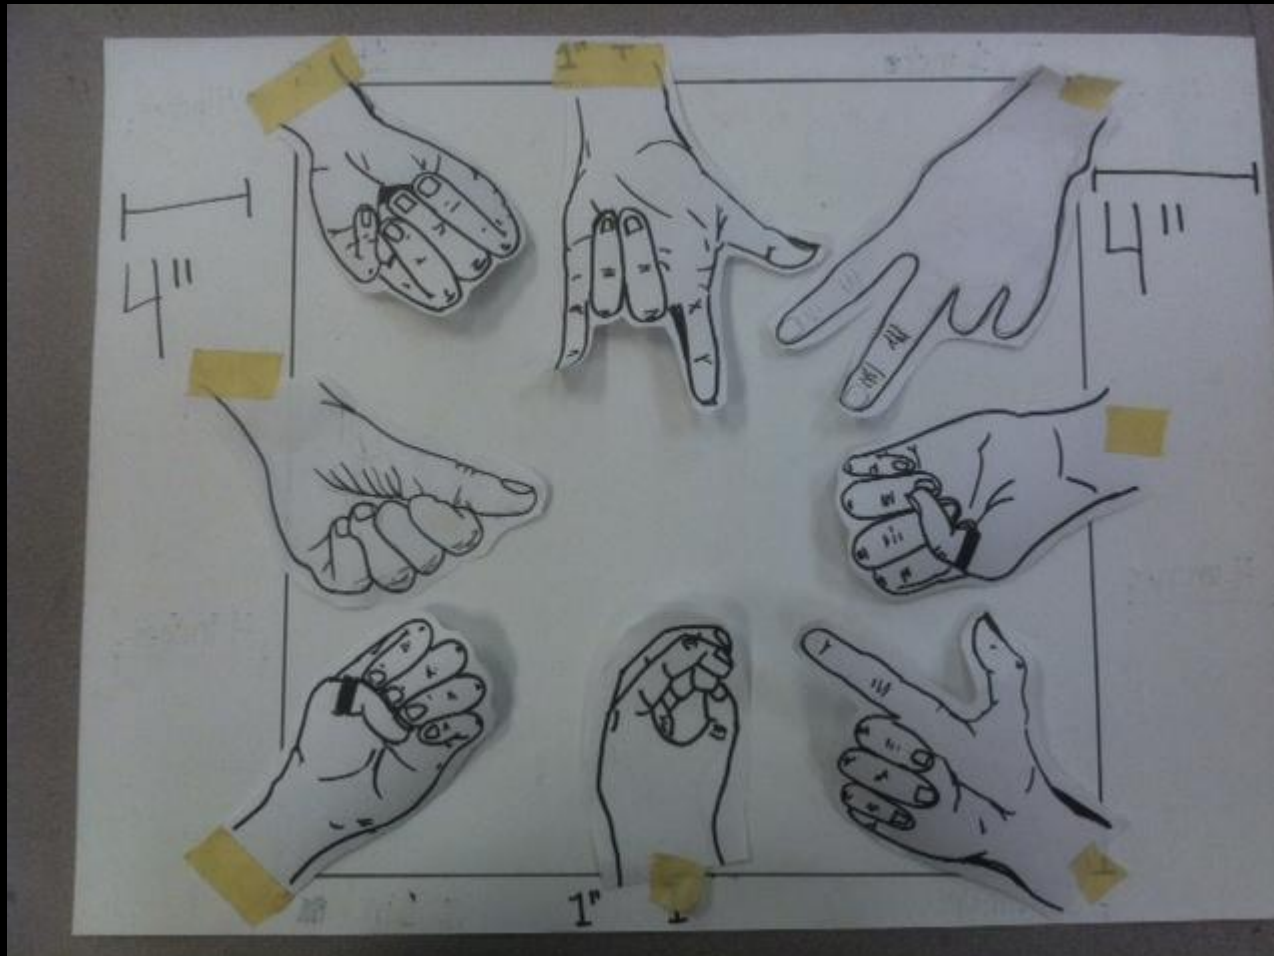

Low "D" quality work

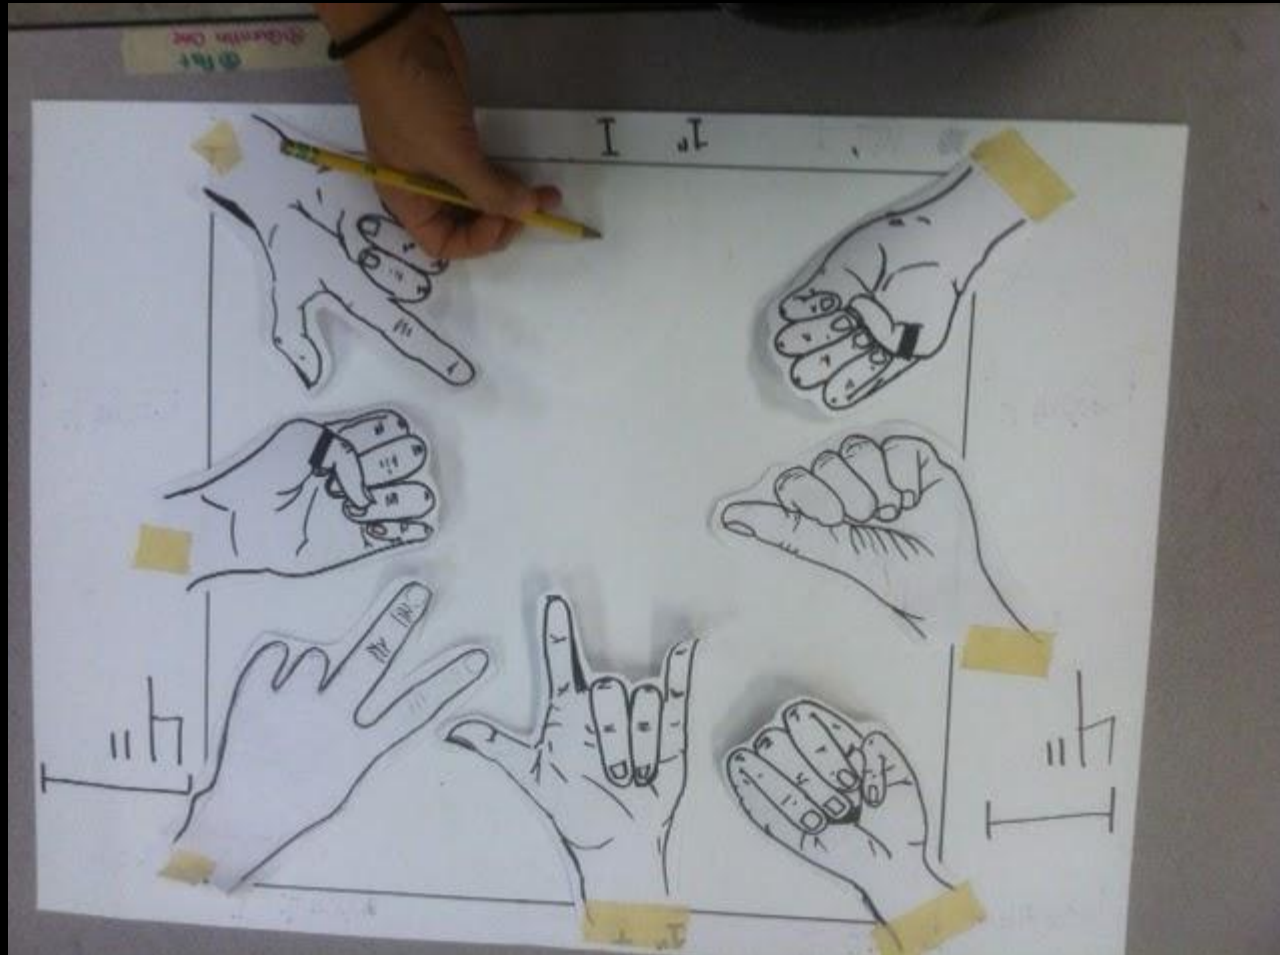

Directions

1. On separate sheets of paper, draw 8 hands in 8 different positions
2. Outline hands in dark marker
3. Rough cut out hands
4. Center a 16in by 16in square on 18in by 24in paper
5. Arrange hands in an interesting composition
6. Trace hands with pencil
7. Integrate text into composition
8. Outline everything with sharpie
9. Render negative space with colored pencils

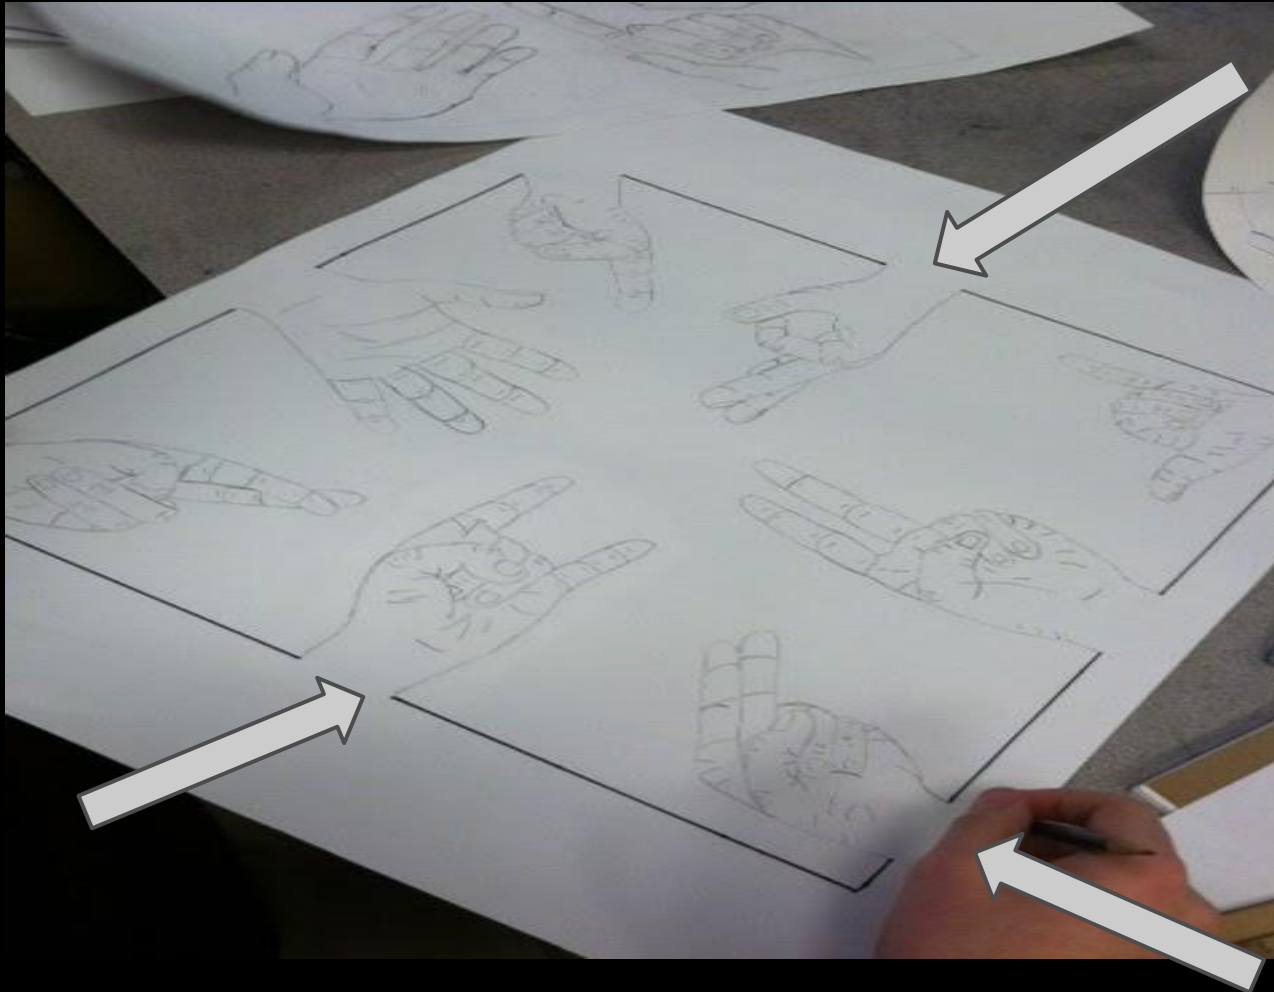

Arrange hands so they don't overlap

Slip one hand under at a time, and trace in pencil

**When all hands are traced in pencil,
you can go over in black sharpie**

Do not trace
over the wrist!

&

Use a ruler to
trace a straight
line

Add Text
Render in Colored Pencil
Then you are done!
