

Welding

Making Art with Metal

Objectives:

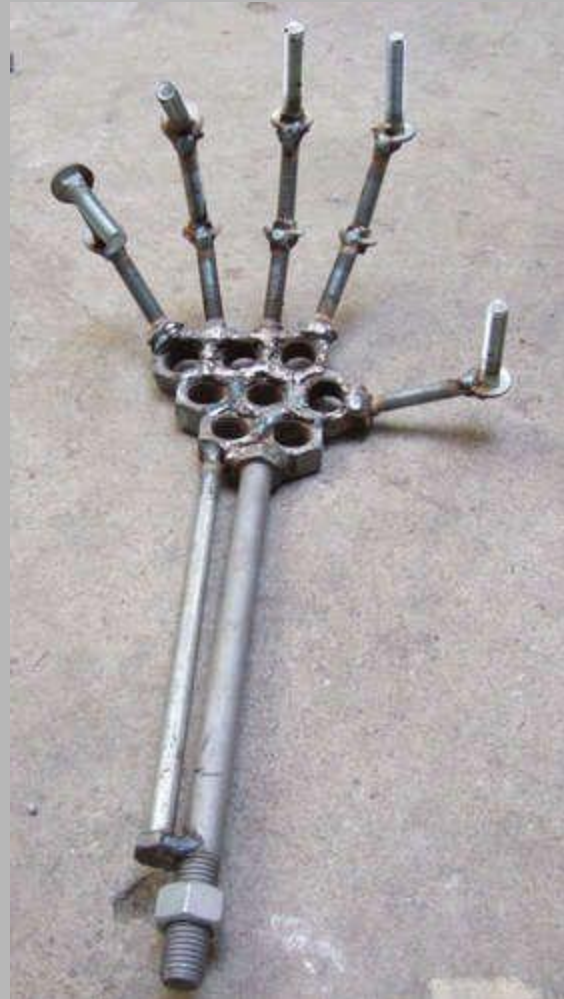

- Learn how to weld
- Make art with metal

Found Objects

Hand Manipulated

Plasma Cutting

A person wearing a dark hoodie, brown work pants, and protective gloves is using a plasma cutter to cut a metal plate. The plate has the letters 'FV' embossed on it. The person is wearing a blue and white protective mask. The scene is set in a workshop with a wooden workbench, a blue bucket, and a ladder in the background.
